- **Lockout points:** up to 6 padlocks
- **Padlock hole diameter:** 12 mm
- **Colour:** red

SIZES AND STORE SKUS

25mm **SHS001** 38mm **SHS002**

APPLICATION

Fits over an isolation point and takes up to 6 padlocks, one per person working on the isolation. The 12 mm holes accept the 6 mm shackles of the padlocks in this range and the wider 6.2 mm brass padlock shackles. The hasp cannot be removed until every padlock is off. Body and shackle are steel; the Safety Hasp - Nylon Hasp / Nylon Body is the equivalent where an insulated hasp is specified.
