

Confined Space Manway Cover

STORE SKU
CMLP01

Polyester cloth cover for manholes and manway openings, marking a confined space as closed to entry.

TECHNICAL DATA

- **Material:** polyester cloth
- **Dimensions (W x H):** 485 mm x 420 mm
- **Colour:** yellow / black

APPLICATION

Fits over a manhole or manway opening and covers it to a width of 485 mm. The yellow and black marking identifies the opening as closed from a distance. The cover provides visual warning only and no physical restraint against entry.
