

Emergency Push Button Lockout - Style 1, 22.7mm Wide

STORE SKU

EPB001

Lockout cover for emergency stop and push button switches.

TECHNICAL DATA

- **Material:** polycarbonate plastic
- **Colour:** clear
- **Fits button diameter:** up to 22.7 mm
- **Dimensions (W x H):** 49.5 mm x 51.5 mm
- **Padlock hole diameter:** 8 mm

APPLICATION

Encloses the button so it cannot be pressed or reset, fitting push buttons up to 22.7 mm in diameter. Cover measures 49.5 mm by 51.5 mm. The clear body leaves the button and any legend visible while the cover is fitted. Takes a padlock with a shackle up to 8 mm.
