

Emergency Push Button Lockout - Style 1, 29.8mm Wide

STORE SKU
EPB002

Lockout cover for emergency stop and push button switches.

TECHNICAL DATA

- **Material:** polycarbonate plastic
- **Colour:** clear
- **Fits button diameter:** up to 29.8 mm
- **Dimensions (W x H):** 49.5 mm x 51.5 mm
- **Padlock hole diameter:** 8 mm

APPLICATION

Encloses the button so it cannot be pressed or reset. Fits push buttons up to 29.8 mm in diameter, for the larger buttons in a panel. The clear body leaves the button and any legend visible while the cover is fitted. Takes a padlock with a shackle up to 8 mm.
