

Emergency Push Button Lockout - Style 2, 30mm Wide

STORE SKU
EPB004

Lockout cover for emergency stop and push button switches.

TECHNICAL DATA

- **Material:** polycarbonate plastic
- **Colour:** clear
- **Fits button diameter:** up to 30 mm
- **Dimensions (W x H):** 49 mm x 42 mm
- **Padlock hole diameter:** 7.5 mm

APPLICATION

Encloses the button so it cannot be pressed or reset. Fits push buttons up to 30 mm in diameter. The clear body leaves the button and any legend visible while the cover is fitted. Takes a padlock with a shackle up to 7.5 mm.
