

Small Lockout Kit

STORE SKU

LK003

Portable lockout kit supplied in a water resistant carry bag. Holds padlocks, safety hasps and tags for basic isolation work.

TECHNICAL DATA

- **Material:** water resistant polyester
- **Colour:** red

KIT CONTENTS

- 2 × 38 mm red steel padlock
- 2 × 25 mm safety hasp - steel hasp / nylon body
- 2 × style 2 - LOTO signage tag

APPLICATION

Assembled for isolation work where the padlock, hasp and tag are all that is required. Each hasp provides a single isolation point for up to six padlocks, and the tags identify who applied each lock.
