

Portable Padlock Holder

STORE SKU

LSS015

Belt mounted holder carrying safety padlocks at the point of work.

TECHNICAL DATA

- **Material:** engineered plastic
- **Capacity:** space for 12 padlocks
- **Dimensions (W x H x D):** 200 mm x 132 mm x 16 mm
- **Colour:** red

APPLICATION

Carries up to 12 padlocks on the person rather than at a fixed station. Measures 200 mm wide, 132 mm high and 16 mm deep. The moulded plastic body suits work where the isolation point is away from the lockout store.
