- **Colour:** yellow

SUPPLY OPTIONS

Lockout Station Only **LS05**Lockout Station with Lockout Equipment - 10 padlocks, 2 hasps, 20 tags **LS05_01**

APPLICATION

Board in moulded polycarbonate, measuring 565 mm by 400 mm by 65 mm, holding more than twice the padlocks of the smaller station in the range while keeping the same shallow depth. Positions for padlocks, hasps and tags keep an isolation set together at the point of work. The supplied equipment matches items carried separately in the range, including the LOTO Padlock - Steel - 38mm and the Safety Hasp - Steel Hasp / Nylon Body.
